FROM THE STATION MANAGER

We are constantly amazed at the talent we get to meet. It comes in many guises, from artisans to crafters, from singers to beauty queens and the talent working behind the scenes within the station. A visit from two local beauty queens succeeded in taking our breath away. The top matriculants 2022, are an inspiration to us all. The coming MalutiFM Squared Christmas Market will showcase much of our locally produced goods.

Grade 10 learner from Witteberg High School, Yulienke Jacobs already holds two crowns but it was her inner beauty that shone through during her visit to the station. A visit from Petece Swart, a Mrs Universe semi-finalist gave us insight into her life and dreams but that it is her family who remains her top priority.

From the visit by the top matriculants from Witteberg, Voortrekker and Nstu, we got some insight into how hard they are working to achieve their dreams. We wish them all the success they deserve.

Advertising is the life-blood of community radio. Each advert needs to be specially created to suit an advertiser's needs. It takes imagination to take the ordinary and make it extraordinary. For this, we have Du Toit Claassens to thank. On air, Du Toit is a talented presenter and behind the scenes, it is Du Toit who puts a creative spin on our adverts and brings them to life.

A big thank you goes out to Okkie C Lotriet who came up with new ideas to ensure listening pleasure. It is not every radio station that can boast that they have a talented musician in their midst. Okkie's musical knowledge ensures that a wide variety of songs are played while still making sure the old favourites are not forgotten.

Local is lekker! MalutiFM Squared Christmas Market in December will showcase many of the locally produced goods and crafts in our broadcast area. It is the last market of the year and it may well be the best market yet judging from the demand for stalls. There is still time to book your stall and be part of this market.

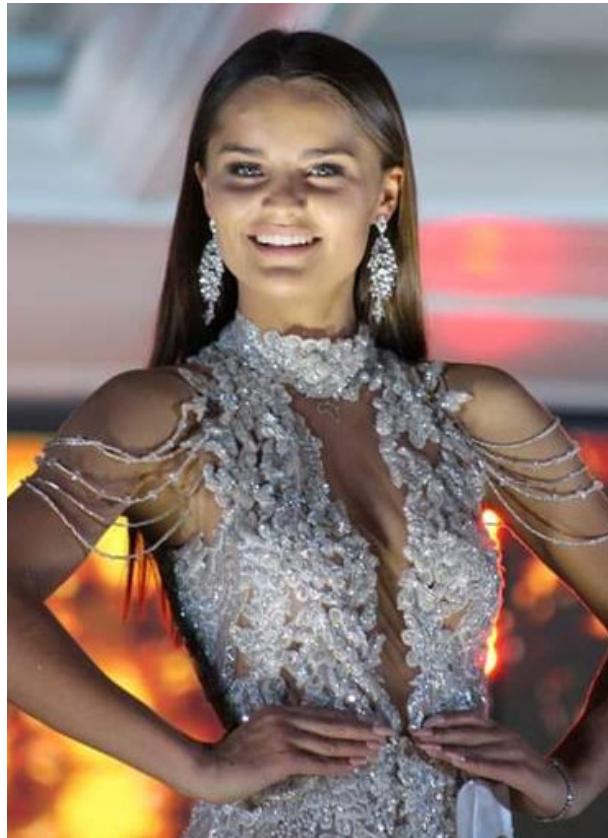

Be there or be square!

Skoonheidekoker

Maluti FM personeel het behoorlik na hul asem gesnak toe die pragtige Yulienke Jacobs onlangs die Maluti FM ateljee vir 'n onderhoud besoek het! Yulienke is in Ecuador as Miss Teen International gekroon en het ook die titel vir miss Teen Facial Beauty ingepalm. Yulienke is 'n graad tien leerder aan Hoërskool Witteberg en 'n inspirasie vir ons almal. Sy is die oudste dogter van Jacolien en Philip Jacobs van Bethlehem

Petece Swart, semifinalis in Mevrou Heelal Suid Afrika, is 'n ma van vier en is tans by haar man se ouditeurfirma in Bethlehem werksaam. Die mees belangrikste in Petece se lewe is haar familie en geloof. Sy geniet die buitelewe asook die plaas terdeë.

Petece glo positiwiteit is die sleutel tot sukses en wil 'n verskil in haar gemeenskap maak deur kinders te laat besef niks is onmoontlik indien jy in jouself glo en nooit moed opgee nie!

Petece is 'n rolmodel duisend.

MATRIEKS 2022

Die matrieks is tans besig met hul Nasionale Senior Sertifikaat eksamen wat op 31 Oktober afgeskop het. Die Matrieks skryf hul laaste vraestel op 2 Desember.

Die top studente van Witteberg, Voortrekker en Nstu het met ons kom gesels oor hulle studie metodes en hoe hul vir die eksamen voorberei.

MalutiFM wens die matrikulante alle voorspoed vir die eksamen en vir die toekoms wat wag toe.
